

Pneumatic seeder

Standard machine

Type	Description
Pneumatic seeder 200 litre electric fan	PPneumatic seeder with hopper 200 litres, electric fan SI, seed roll 8R3S, ground wheel with right angle gearbox WK4, incl. attachments
Pneumatic seeder 410 litre 90° electric fan	Pneumatic seeder with hopper 410 litres, 90° turned, electric fan SI, seed roll 8R3S, ground wheel with right angle gearbox WK4, incl. attachments additionally with Seed-Control PLUS
Pneumatic seeder 410 litres 90° hydraulic fan	Pneumatic seeder with hopper 410 litres, 90° turned, hydraulic fan, seed roll 8R3S, ground wheel with right angle gearbox, incl. attachments. Oil flow rate: 15-20 l / minute additionally with Seed-Control PLUS additionally with Seed-Master System
Pneumatic seeder 660 litres hydraulic fan	Pneumatic seeder with hopper 660 litres, hydraulic fan, seed roll 8R3S, ground wheel with right angle gearbox, tank level indicator, incl. attachments. Oil flow rate: 15-20 l / minute Additionally with Seed-Control PLUS Additionally with Seed-Master System
Pneumatic seeder 410 litres 90° mechanical fan	Pneumatic seeder with hopper 410 litres, 90° turned, mechanical fan, seed roll 8R3S, ground wheel with right angle gearbox, incl. attachments . Additional drive shaft required! Additionally with Seed-Control PLUS
Pneumatic seeder 660 litres mechanical fan	Pneumatic seeder with hopper 660 litres, mechanical fan, seed roll 8R3S, ground wheel with right angle gearbox, tank level indicator, incl. attachments. Additional drive shaft required! Additionally with Seed-Control PLUS Additionally with Seed-Master System
